SUB: ANNUAL SERVICE CONTRACT FOR CALIBRATION & OVERHAULING OF FOLLOWING WEIGHING MACHINES:-

- (1) 20 TON CAPACITY STEEL YARD LORRY - 01NO.
WEIGH BRIDGE, MAKE - ATLAS.
- (2) (a) WEIGHING MACHINE DIAL - 01NO.
TYPE 1000 KGS. CAPACITY.
- (b) WEIGHING MACHINE SCALE TYPE - 01NO.
500 KGS. CAPACITY.

Dear Sirs,

With reference to above, this is to intimate you that above machine required calibration, running & routine maintenance so that machine may not become idle.

The calibration may require measurement with appropriate weight which are to be managed by you.

Kindly give your rate & terms & conditions for a period of 12 months for the following:

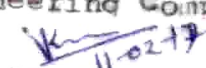

- (1) To examine, test & adjustment as required for above bridge.
- (2) To repair/replace any part found defective during the contract period. For this please inspect the weigh bridge before submitting your offer. Submit your rates for spares, if any required to be charged separately.
- (3) Co-ordination with weight & measurement department for re-verification & stamping.
- (4) This contract will be valid for one year. You will attend the weighing machine atleast quarterly or as & when required.

You are therefore, requested to kindly examine the weighing machine & quoted your rates.

Your quotation should reach us on or before 16.03.2017 upto 3.00PM. The offer will be opened on the same day at 4.00 PM in presence of the tenderer or their authorised representative who may wish to be present.

Thanking you,

Yours faithfully,
for Bharat Wagon & Engineering Company Limited
